Tasting note: Brilliant straw yellow color with greenish reflections. Fresh and complex aromas. White fruits and citrus aromas with a balsamic ground. Unc-
tuous and elegant. Balanced structure that flavors its persistence.

Winemaking: The vineyards are at 800 meters above sea level, with a very cold winter and dry summer, warm by day and fresh at night, therefore the grapes mature very slowly. The fermentation room has stainless steel deposits with automated cold-heat shirts. The grapes are whole bunched pressed.
